SAFETYNET SUMMARY OF PROTECTIONS

IMPORTANT SAFETYNET INFORMATION: Your purchase of SafetyNet is optional. Whether or not you purchase SafetyNet will not affect your application for credit or the terms of any existing credit agreement you have with Target National Bank. We will give you additional information before you are required to pay for SafetyNet. This information will include a copy of the complete SafetyNet Terms and Conditions, which is an optional Addendum to your Credit Card Agreement. There are eligibility requirements, conditions, and exclusions that could prevent you from receiving benefits under SafetyNet. The following is only a summary of the SafetyNet protections, and you should carefully read the complete SafetyNet Terms and Conditions for a full explanation of the terms of SafetyNet.

AUTOMATIC COVERAGE OF JOINT ACCOUNTHOLDERS: SafetyNet automatically protects both you (the primary accountholder) and your joint accountholder.

DISABILITY BENEFITS: Following ninety consecutive days of disability, SafetyNet will cancel the amount of the purchase balance on your Account on the date you or your joint accountholder became disabled. A disability that begins within ninety days of enrollment in SafetyNet is not protected. The disabled Accountholder must have been employed full-time (but not self-employed, an independent contractor or a seasonal worker) on the date of the disability.

UNEMPLOYMENT BENEFITS: Following ninety consecutive days of involuntary unemployment, SafetyNet will cancel the amount of the purchase balance on your Account on the date you or your

joint Accountholder became unemployed. Unemployment that begins within ninety days of enrollment in SafetyNet is not protected. The unemployed Accountholder must have been employed full-time (but not self-employed, an independent contractor or a seasonal worker) on the date of unemployment.

LEAVE OF ABSENCE BENEFITS: Following ninety consecutive days of unpaid, employer-approved leave of absence, SafetyNet will cancel the amount of the purchase balance on your Account on the date that you or your joint Accountholder's leave began. A leave of absence that begins within ninety days of enrollment in SafetyNet is not protected. The Accountholder on leave must have been employed full-time (but not self-employed, an independent contractor or a seasonal worker) on the date the leave began.

HOSPITALIZATION AND NURSING HOME CARE BENEFITS: Following fourteen consecutive days of hospitalization or nursing home care, SafetyNet will cancel the amount of the purchase balance on your Account on the date you or your joint Accountholder were admitted to the hospital or nursing home. During the fourteen days, the Accountholder that is hospitalized or receiving nursing home care must be confined to the hospital or nursing home and must be under the continuous care of a physician. Hospitalization or nursing home care that begins within ninety days of enrollment in SafetyNet is not protected.

LOSS OF LIFE BENEFITS: If you or your joint Accountholder dies, SafetyNet will cancel the amount of the purchase balance on your Account on the date of death.

MAXIMUM CANCELLATION: SafetyNet offers a maximum Account balance cancellation of \$10,000 for any single protected event. If you experience one or more protected event(s) over the life of your Account, and the combined total of your paid SafetyNet benefit(s) is \$10,000 or more, we will terminate your enrollment in SafetyNet after we cancel the protected balance that brought the combined benefit(s) total to \$10,000 or more. SafetyNet does not apply to cash advance, balance transfer or convenience check balances, so the cancelled balance amount will not include advances, charges and fees associated with those features.

TERMINATION OF PROTECTION: You may terminate your SafetyNet protection at any time. If you choose to terminate your SafetyNet protection within thirty days of enrollment, we will credit to your Account any fee you have been charged. Your SafetyNet coverage will be suspended automatically if your Account becomes more than ninety days past due. If you file for bankruptcy or in the event of the death of the sole Accountholder, we will automatically terminate your enrollment in SafetyNet. We can terminate your SafetyNet protection (for reasons other than those mentioned above) by giving you written notice at least thirty days in advance of the termination (or as provided by law).

COST OF PROTECTION: The fee rate for the SafetyNet program is 99¢ per \$100 of the protected balance on your Account each month (including any deferred balance). The fee rate is subject to change. This information is accurate as of October 1, 2011.
